Description

The Escape Lite has a foldable aluminium frame making it extremely lightweight. Specially designed for ease of transportation and compact storage, it is an ideal chair for on the go use. Suitable for both indoors and out, it gives you flexibility wherever you go. In addition to being lightweight, these attendant-propelled chairs offer both comfort and practicality. With a full-length armrest, padded flame-retardant upholstery and detachable swing-away footrests, they provide all the basic comfort necessities. Peace of mind and low maintenance are provided by the puncture-proof tyres. An adjustable seat belt provides safety when in transit.
